

THE UNITED REPUBLIC OF TANZANIA
MINISTRY OF WATER
RUFIJI BASIN WATER BOARD

REQUEST FOR EXPRESSION OF INTEREST (EoI)

Provision of Consultancy Services to Establish a Geospatial Water Resource Monitoring System in the Usangu Catchment. TZ-RBWB-82385-CS-QCBS-02

1. This request for Expression of Interest follows the General Procurement Notice for the World Bank under Ministry of Natural Resources and Tourism, Resilient Natural Resources Management for Tourism and growth project (REGROW) No 15052, which appeared in PPRA Portal on 17.08.2018.
2. The Government of Tanzania (GoT) under the Ministry of Natural Resources and Tourism, with support from the World Bank, is implementing the Resilient Natural Resource Management for Tourism and Growth Project (REGROW). The aim of REGROW is to strengthen management and development of priority tourism assets, and promote sustainability of natural resources in Southern Tanzania. Objectives of the project is to strengthen catchment conservation activities in selected Sub-Basins upstream RUNAPA, to reduce the number of dry days in the river and ensure long term sustainability of RUNAPA's wildlife and the tourism that comes associated with it.
3. The Rufiji Basin Water Board now invites eligible consultants to indicate their interest in providing the above service. Interested consultants must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, the name and contacts addresses of client served, availability of appropriate skills among staff, etc.). Consultant may associate with other firms to enhance their qualifications.
4. A consultant will be selected in accordance with procedures set out in the World Bank's Guidelines; "Selection and Employment of Consultants under IBRD Loans and IDA Credit & Grants by World Bank Borrowers, dated January 2011, revised July 2014.

5. Interested consultants may obtain further information at the address below during office hours from 8:00 to 15:30 hours, Monday to Fridays inclusively, except in public holidays.
6. Interested consultants shall submit their Expression of interest in the sealed envelope clearly marked “Provision of Consultancy Services to Establish a Geospatial Water Resources Monitoring System in the Usangu Catchment” must be delivered to the address below by 15th February, 2019 at 13.00 hours, Local time.
